NO TRUE GOODBYE

by Karen Flynn

What is it about the sun?
How it shines for everyone
Even clouds cannot contain
All that brilliance, all that rain
Bright, she reaches butterflies
Winged joy and open skies
Carrying the reason why
There is no true
As we fly beneath the healing
sun
Goodbye, fly as one

Life is fragile, life is strong
Human spirit carries on
Though we separate in time
Like the sun, our spirits shine

If the sorrow blocks the light
While your heart longs for flight
Oh butterfly release the pain
Together, we soar again
As we fly beneath the healing
sun
Fly as one

Feel the air as it rushes by
Colored wings take flight

I believe in the wonder of the butterfly
Oh such a comforting sight
Everything is alright
Everything is alright

If you dream a dream like me
Then you'll open up your eyes and see
The world is wonder spinning bright
The lesson of the butterfly in flight
She is fragile, she is strong
Hearts connected we belong
Through the ages, every time
Like the sun our spirits shine

Telling us there is no true goodbye
And we'll fly beneath the healing sun
Fly as one
